ENVIRONMENTAL HEALTH & SAFETY POLICY STATEMENT

MISSION STATEMENT

HT Marine Offshore Logistics is committed to protecting the environment, health, and safety of our employees, customers and the global communities where we operate. We recognize that by integrating sound environmental, health, and safety management practices into all aspects of our business, we can offer technologically innovative products and services while conserving and enhancing resources for future generations. HT Marine strives for continuous improvement in our environmental, health and safety management systems and in the environmental quality of our products, processes, and services.

GUIDING PRINCIPLES

Meet or exceed all applicable environmental, health and safety requirements. We will evaluate our EHS performance by monitoring ongoing performance results and through periodic management reviews. Where laws and regulations do not provide adequate controls, we will adopt our own standards to protect human health and the environment. Support and promote sound scientific principles and fiscally responsible public policy that enhance environmental quality, health and safety.

Advocate the adoption of prudent environmental, health and safety principles and practices by our contractors, vendors, and suppliers. Communicate environmental, health, and safety policies and programs to HT Marine employees and stakeholders.
